LETTER OF AUTHORIZATION

January 12, 2009

TO WHOM IT MAY CONCERN

Dear Sirs,

We are pleased to announce that for more than 6 years we have sold not only our products but also our services in Mexico through our distributor CUTRON.

During this time, our joint operations have been successful so we have no objection to allow CUTRON be our representative in Mexico.

Therefore, with our full support, CUTRON has full authority for all marketing, sales and service activities for the **T-matic® tube system**.

Our support includes guarantee to deliver all spare parts for the tube system at least for the next 10 years.

The system is manufactured in 5102 Anthering, Austria.

Very truly yours.

Hermann Thalmayr
